

## Interested in how you can become a Raven "Top Gun"?

### **top•gun** (noun)

1. a person who is the best or one of the best in a particular field; the top-ranked person in a group
2. a person who is trained to be the certified expert on Raven precision products within their organization

### RECRUITING OPPORTUNITIES

January 31 - February 1, 2023

February 6 - 7, 2023

February 21 - 22, 2023

All sessions take place at the Raven Innovation Campus Precision Ag Training Center in Sioux Falls, SD.

Raven is excited to provide this program aimed at establishing Raven "Top Guns" with our ag retailer partners. A Raven Top Gun is a person who will be trained to be the certified expert on Raven precision products within your company.

### Program Benefits:

- Sales, technical, and operational training from Raven
- Access to online training and support materials
- Quicker access to technical support with Top Gun certification
- Access to special programs from Raven
- Annual meeting with Raven management, product development and engineering teams to discuss challenges and opportunities within precision technology
- Preflight Checklist machine checkup and operator training
